no magician has captured the imagination of the world as did Harry Houdini. His very name has become a byword for stunning amazing escapes in this authoritative biography. Acclaimed author and noted psychic sceptic William Lindsay Gresham details the life of the great man. The strands of Houdini's life are chronicled in rich detail: the stage illusions and their invention, his private life as he travelled the world, and Houdini's passion for exposing the frauds and scams of the psychic world. Houdini's legendary illusions are explained and give a fascinating insight into their construction, created with simplicity that is the essence of true genius.
